

FORSYTH COUNTY

BOARD OF COMMISSIONERS

MEETING DATE: JULY 2, 2020

AGENDA ITEM NUMBER: 11

SUBJECT: RESOLUTION APPROVING A CHANGE ORDER TO THE SOUTHWEST FORSYTH COUNTY CONSTRUCTION, FUNDING, AND MAINTENANCE AGREEMENT TO REIMBURSE THE CITY/COUNTY UTILITY COMMISSION FOR DEVELOPMENT AND CONSTRUCTION OF A REGIONAL SEWER LIFT STATION

COUNTY MANAGER'S RECOMMENDATION OR COMMENTS: Recommend Approval

SUMMARY OF INFORMATION:

The City/County Utility Commission is constructing, with funding from Forsyth County, the Idols Road Sewer Lift Station which could provide sewer access to Tanglewood Business Park and an additional 500 acres of land in southwest Forsyth County. A permanent access road and waterline extension must be constructed as part of the lift station project which was originally intended to be constructed for Tanglewood Business Park as an extension of Topsider Drive. Since that road has not been constructed, the access road and waterline extension could be developed off Idols Road where the second entrance to Tanglewood Business Park was anticipated. The Forsyth County Board of Commissioners approved proceeding with the engineering for the access road and waterline extension in November 2019.

D.H. Griffin Construction Co., LLC, the general contractor for the lift station project, has provided a cost of \$574,360 to construct the waterline extension. This cost would be in excess of the estimated budget for the sewer lift station and requires the Board of Commissioners to approve the change order and to pay for the additional services. Forsyth County has sufficient funding in the Tanglewood Business Park CPO to fund this project.
