4-H Achievement Night

Every year, a ceremony is held to recognize 4-H members and their achievements, as well as install new club officers. This year, seventeen Trailblazer-Teens attended the “Star Wars” themed event. Guests enjoyed an array of Star Wars inspired décor and refreshments. After everyone had finished their green punch and cupcakes, Darth Vader and his Stormtrooper assistant made their grand entrance just in time to give 4-H'ers their awards and certificates. The evening concluded with the installation of the 2016 club officers.

Presidential Primary Election and No'Bacco Booth

The Trailblazer-Teens hosted a mock election at Walkertown Home Educators. Young participants had the opportunity to vote for who they thought would be the best presidential candidate. A total of forty youth voted. Meanwhile, two club members ran a No'Bacco booth. They informed the youth of the hazards of tobacco use.
